

# Federal Programs Annual Report 2009-2010

Monroe County School District received federal support through several programs. The **Title I** program has provided instructor's salaries to provide increased opportunities for reading and math intervention. At each school (Hamilton, Hatley, Smithville), teachers were provided at 100% salary to serve in the capacity of class size reduction at the elementary grade levels. In addition, **Title II** has provided extra elementary teachers to help reduce class size. Both **Title I** and **Title II** have funded professional development for teachers. **Title IV** is a drug and violence program that promotes safe and drug free schools. Below is a more detailed list of the activities supported with Title funds.

The **Title I** program has provided several teacher salaries within our schools as well as classroom instructional supplies equipment for teachers. Teacher Salaries:

- Hamilton
  - \*1 elementary teacher for CSR in order to increase instructional opportunities for remediation and reading/writing focus
  - \*1 Teacher assistant to provide more one-to one intervention
  - \*2 certified tutors to serve identified students in Math & Reading
  - \* After-school tutoring for subject area tests
- Hatley
  - \*3 elementary teacher for CSR in order to increase instructional opportunities for remediation and reading/writing focus
  - \*2 tutors to serve identified students in Math & Reading
  - \*After-school tutoring for subject area testing
- Smithville
  - \*1 elementary teacher for CSR in order to increase instructional opportunities for remediation and reading/writing focus
  - \*2 tutors to serve identified students in Math & Reading
  - \*After-school tutoring for subject area testing

In addition, Title I funds were utilized to purchase classroom supplies, various software, reading materials, furniture, and technology hardware and a parent involvement brochures, refreshments for meetings, and a parent notification system to provide information on school and district events.

**Title II** has provided extra elementary teachers to help reduce class size. Teachers: Hatley: 1 elementary teacher for CSR ; Smithville: 1 elementary teacher for CSR.

**Title IV** is a drug and violence program that promotes safe and drug free schools. It has provided research-based curriculum materials for drug prevention education for the district. In addition, a motivational assembly program was provided for students.
